Project team members at the Project SPARK kickoff.
January 30, 2025.

Welcome to the first issue of *The SPARK Plug*, a monthly newsletter offering insights into how NJIT's move to **Workday** Finance and HR will affect you, as well as feature NJIT colleagues involved in the project, and progress highlights.

Visit the [Project SPARK website](https://njit.edu/projectspark/) for more information.

WHAT IS PROJECT SPARK?

In concert with our implementation partner, Huron, NJIT will implement Workday in July 2026 for Finance, HR, Payroll, and Post-Award grants, replacing Banner for these services. Workday is a next-gen system designed to enhance business service delivery in finance and HR. For more information, please refer to our [FAQ](#).

Fun Fact About You: I've moved across the country twice!

What are you most looking forward to with our move to Workday? With all our HR and Finance data living in one place, and updating in real time, we can finally stop chasing information across a bunch of systems. Everything will be right at our fingertips!

WANT TO LEARN MORE?

We can come to YOU!

Members of our project team are out meeting with departments across campus to let them know more about what's to come with our move to Workday. Please reach out to Peggy Kenrick if you'd like to schedule time to learn more! (kenrick@njit.edu)
