

## Frequently Asked Questions (FAQ)

- How do I cross register for Rutgers Newark?
  - Go to [Google Form](#) to register for Rutgers courses.
- How do I drop from a course(s) at Rutgers Newark?
  - Submit the request through the same [Google Form](#).
- Can I cross register at another Rutgers campus?
  - Unfortunately, cross registration agreements are only valid for Newark Rutgers campus. Courses taken at other Rutgers campuses are considered courses taken at another institution and will require approval from the department offering the course
- How do I search for classes at Rutgers Newark?
  - Rutgers courses are available through this link: [Rutgers-Newark Courses](#)
- What do I do if my registration attempt is unsuccessful?
  - Please resubmit the request to Google form with alternate course options, you can list multiple alternates on the same form
- What do I do if the course is closed or requires permission?
  - Please reach out to the Rutgers academic department that offers the course to request a special permission number.
  - Permission numbers for Biology courses (R120) may be available at NJIT Biology Department.
- What do I do once I receive a special permission number?
  - Input the number in the special permission number box through the [Google Form](#), then submit your request again.
