

NEW JERSEY INSTITUTE OF TECHNOLOGY
Institutional Biosafety Committee
Mentor Agreement

Please Complete and send to Institute Biosafety Committee

Applicant Name	
Title of Project:	

The Institutional Biosafety Committee (IB) will accept and review applications submitted by post-doctoral fellows, graduate students, or equivalent under the following conditions:

1. The applicant must be a post—doctoral fellow, graduate student or equivalent, seeking funding for fellowships, dissertation support, and/or grants.
2. A recognized and IBC registered investigator must serve as a mentor for the applicant, and be named as a secondary contact in the IBC application.
3. A signed Mentor Agreement must be provided with the application. The agreement must be signed and sent to the IBC.
4. The mentor agrees to ensure that the work carried out in the application complies with the NIH Guidelines for Research Involving Recombinant DNA Molecules (NIH Guidelines).
5. The mentor agrees to ensure that the work carried out in the application is conducted in compliance with the NJIT IBC, including all requisite training of students, staff and other professional participating in the research.

By signing below the mentor agrees to the above conditions
