These machines are located in Laurel & Cypress (add value using cash only), the Security Office and Honors Hall (purchase a new card & add value using cash/credit/debit cards). Additional funds can be added to your laundry card during the year in increments of \$5.00, \$10.00, or \$20.00, using the same vending machines.

If you wish to purchase a laundry card in advance, please mail your reply card and check or money order (we do not accept credit cards for pre sale orders) by August 15th to take advantage of these special savings.

Please remember that your laundry card has monetary value and should be protected as if it were cash. Lost, damaged or stolen cards will not be replaced. Any balance remaining on your card at the end of the year will carry forward to the following year. Your laundry card is valid every year you attend school.
