OPEN on hold to phase 3	<p>Hard to make left turns from New St to MLK by the Fenster Deck, and also from New St to Lock St near STPG. Can Public Safety direct traffic in these areas? - Per DC Kevin Kesselman an officer will be posted on New St & MLK as well as New St & Wilsey from 4:30pm to 5:30pm Monday-Friday, unless something comes up as Public Safety is short staffed and they need to maintain safety on campus. An officer will also remain at the Lock St/New St crossing.</p> <p>Update: This has been done, but making the turns is still difficult. Closed 10/15/2020	<p>A couple of retirees have mentioned that they've lost access to Pipeline. That means they've lost their ability to get the electronic delivery of pay stubs and W2's for tax purposes. In one case, an Alumnus who recently retired was completely disabled preventing access to the email for life for Alumni. The issue is related to progress with the Identity Management Project in IST. Certain specific roles have either not been defined or not rolled out yet (like Retiree+Alum). Also, both retirees commented that they would have appreciated some sort of exit interview where items like this were covered. Can an offboarding process be made standard? Update: Pipeline access is connected to active job assignments. No exit interviews are required. CLOSED 202002	Many of the "Management and Staff Academy" Programs offered by HR are for managers only. Some employees who are not in managerial positions would also be interested in attending these programs. Update: Bob Lazer is addressing it. The manager programs are very specific to current managers. In Fall 2020 some supervisor programs will be opened to more people.	HR Committee	
CLOSED 202001	Can the entrance to the Parking Deck on Summit be switched (exit in front of entrance)? Update: The policy is the queue for line of cars entering the deck should be on NJIT property. If the exit & entrance were reversed the queue would expand to ECC property. Also if the exit gates were moved inward in the deck to eliminate this queue, spaces would be lost. There would also be a significant cost to reverse all the space lines, signage, eltrronics, etc in the deck. Rob Gjini will attend the next meeting Jan 16th, 2020 to answer any parking questions.	Mike Dabrowski	

CLOSED 201912	Staff needs more info on student activities. - Employees can email studentlife@njit.edu and ask to be added to the newsletter mailing list. Also info on Highlander Hub at https://njit.compuslabs.com/engage/ .	Nisha Reyes

CLOSED 201910	No EMS/EMT Public Safety officer on campus. There was an incident where an employee was very sick and needed medical attention. The officer showed up but did not have supplies/did not know CPR, etc. Do cell phone calls to 911 from NJIT redirect to Public Safety? -Update: Lt. Villani spoke on this. Info included above in the Agenda Items.	Staci will reach out to Public Safety	
CLOSED 201910	Part-time employees are parking in the deck without paying for parking -Update: All full-time & part-time NJIT employees on payroll who register for parking get 0.4% deductions from salary. Outside agency temps pay the student part-time rate of \$195 per semester. In cases where an outside agency temp is expected to become an official NJIT employee in short time, the dept may request to temporarily waive the parking fee until the person is onboarded, so payroll deductions can be paid instead of the flat semester fee. There are only a few cases of this. Mike will also invite Rob Gjini to the next meeting to speak on any other parking concerns.	Viola Clyburn, Mike Dabrowski	
CLOSED 201910	There is only one lactation room on campus. Would like to request an additional location at Faculty Hall/Tiernan Hall. Only one room is required on campus.
