An officer will also remain at the Lock St/New St crossing.</p> <p>Update: This has been done, but making the turns is still difficult. OPEN	<p>How close is NJIT to being a smoke free campus? Update: We are not close at all to achieving this. There are a lot of moving pieces to this. <p>Closed 10/15/2020</p>	<p>A couple of retirees have mentioned that they've lost access to Pipeline. That means they've lost their ability to get the electronic delivery of pay stubs and W2's for tax purposes. In one case, an Alumnus who recently retired was completely disabled preventing access to the email for life for Alumni. The issue is related to progress with the Identity Management Project in IST. Certain specific roles have either not been defined or not rolled out yet (like Retiree+Alum). Also, both retirees commented that they would have appreciated some sort of exit interview where items like this were covered. Can an offboarding process be made standard? Update: Pipeline access is connected to active job assignments. No exit interviews are required. Wait for new HR VP.</p> <p>Update 9/27/2020 - No updates to access, brought to information systems my have been related to not claiming ID, is it IT, or status in HR.</p> <p>Update 10/15/2020: It has been Fixed Mostly people ignored claiming accounts.
