	<b>Update 4/15/2021:</b>		

<p>OPEN on hold to phase 3</p>	<p>Hard to make left turns from New St to MLK by the Fenster Deck, and also from New St to Lock St near STPG. Can Public Safety direct traffic in these areas? - Per DC Kevin Kesselman an officer will be posted on New St &amp; MLK as well as New St &amp; Wilsey from 4:30pm to 5:30pm Monday-Friday, unless something comes up as Public Safety is short staffed and they need to maintain safety on campus. An officer will also remain at the Lock St/New St crossing.</p> <p>Update: This has been done, but making the turns is still difficult. Ian Lawson will bring this to Public Safety Lt's attention.</p> <p>Update 9/17/2020 - Traffic is low, keep open for phase 3 when more people on campus and rediscuss.</p> <p>Update 10/15/2020: SAME</p> <p>Update: 11/19/2020: SAME</p> <p>Update: 2020-12-17: No update</p> <p>Update 2/18/2021: Ian - Brought to attention of deputy chief and lieutenant. 	<p><b>Update 4/14/2021:</b></p>		
<p>OPEN</p>	<p>The campus was very icy on 12/19/19 and left unsalted in several areas. 	<p><b>Update 4/15/2021:</b></p>		
<p>OPEN</p>	<p>How close is NJIT to being a smoke free campus? Update: We are not close at all to achieving this. There are a lot of moving pieces to this. In fact it is hard for state run colleges/universities in NJ to achieve this (even though Essex CC is smoke free). We have unions and HR to consider in this process as well. Dean Boger is actively looking for alternative ideas on this topic.</p> <p>Update 9/17/2020 - Not a smoke free campus, is less of a priority in Covid times, will bring back up with Campus Life</p> <p>Update 10/15/2020: Campus Life Next Meeting</p> <p>Update: 11/19/2020: Address when we are back to campus.</p> <p>Update: 2020-12-17: No update</p> <p>Update 1/21/21: Has been brought up on hold due to other high priority such as covid.</p> <p>Update 2/18/2021: It was brought up in last campus life meeting. Not urgent. Did not meet since. Marisella will bring this up at next meeting</p> <p>Update 3/18/2021: No discussion</p> <p>Update 3/18/2021: On hold until we are back to work.</p>	<p>Campus Life</p>

OPEN 20210218	<p>Added 2/18/2021: Draft a letter in cooperation with PSA to look into possible discrepancies of salaries of staff members in same positions and job titles.</p> <p>"Question 1 - Allison to Meaghan, Letters to unions to review salaries. It was on the PSA Union's agenda. The PSA is asking for a general study. The Staff Council is not taking any direct action.. Faculty took a further step and asked for affiliation where discrepancies were found. The PSA union was careful not to do that. If we were to do anything it would be to write a letter in support of study which is being done. Union contracts are still under discussion and we do not want to overstep what the union is discussing.</p> <p>Update 3/18/2021: See question 1, Write a letter in support of the study being done, which is what the Union is asking.</p>	Meaghan Knight, Nisha Reyes, Dominique Clark

Closed 10/15/2020	<p>A couple of retirees have mentioned that they've lost access to Pipeline. That means they've lost their ability to get the electronic delivery of pay stubs and W2's for tax purposes. In one case, an Alumnus who recently retired was completely disabled preventing access to the email for life for Alumni. The issue is related to progress with the Identity Management Project in IST. Certain specific roles have either not been defined or not rolled out yet (like Retiree+Alum). Also, both retirees commented that they would have appreciated some sort of exit interview where items like this were covered. Can an offboarding process be made standard? Update: Pipeline access is connected to active job assignments. No exit interviews are required. Wait for new HR VP.</p> <p>Update 9/27/2020 - No updates to access, brought to information systems may have been related to not claiming ID, is it IT, or status in HR.</p> <p>Update 10/15/2020: It has been Fixed Mostly people ignored claiming accounts. Policy needs to be approved by unions; Staci/Nisha will follow up</li> <li>* Negotiating has started with unions.</li> </ul> <p>There is a new NJ Earned Sick Leave Law that will be in effect soon.
