This will take up even more time on the investigators part. Coronavirus update - as of the meeting on 2/3 there were no cases on campus. As you will have received in your email, there is a task force regarding this matter. Homecoming - The concert will be on October 8th and Homecoming will take place on October 10th. <p>Strategic Planning Steering - No mtg</p>	<p>Sims, Deborah</p>

	<p>University Senate - Fiances: Endowment has grown to almost \$130 million. NJIT looking at bids for banking services (Wells Fargo is current bank). Baker Tilly completed 3 audits. 2:10 p.m.	Open Action Items	Cuzzola, Gabby	
2:25 p.m.	New Action Items	Cuzzola, Gabby	
2:40 p.m.	Review of Action Items	Dabrowski, Mike	
Status	Action to be Taken	Responsible	Due Date
OPEN	Parking Issues - Is there a way to give public transportation an insentive for employees. Perhaps a state employee discount with NJTransit? - Update: Have to figure cost of University vs how many employees are interested. Wait for new HR VP.	Human Resources	
OPEN	Hard to make left turns from New St to MLK by the Fenster Deck, and also from New St to Lock St near STPG. Can Public Safety direct traffic in these areas? - Per DC Kevin Kesselman an officer will be posted on New St & MLK as well as New St & Wilsey from 4:30pm to 5:30pm Monday-Friday, unless something comes up as Public Safety is short staffed and they need to maintain safety on campus. An officer will also remain at the Lock St/New St crossing. Update: This has been done, but making the turns is still difficult. Ian Lawson will bring this to Public Safety Lt's attention.	Public Safety	
OPEN	The campus was very icy on 12/19/19 and left unsalted in several areas. Update: Salting/cleaning of the area across Central Ave by Lot 12 is done by the City of Newark, not NJIT Facilities Services. However, the entrance ways to GITC on Central Ave were also very icy as well, and not addressed until late in the day.	Nisha will email Ron Martucci & Charlie Nieves	

OPEN	How close is NJIT to being a smoke free campus? Update: We are not close at all to achieving this. There are a lot of moving pieces to this. In fact it is hard for state run colleges/universities in NJ to achieve this (even though Essex CC is smoke free). We have unions and HR to consider in this process as well. Dean Boger is actively looking for alternative ideas on this topic.	Priya Vin/Campus Life	
OPEN	A couple of retirees have mentioned that they've lost access to Pipeline. That means they've lost their ability to get the electronic delivery of pay stubs and W2's for tax purposes. In one case, an Alumnus who recently retired was completely disabled preventing access to the email for life for Alumni. The issue is related to progress with the Identity Management Project in IST. Certain specific roles have either not been defined or not rolled out yet (like Retiree+Alum). Also, both retirees commented that they would have appreciated some sort of exit interview where items like this were covered. Can an offboarding process be made standard? Update: Pipeline access is connected to active job assignments. No exit interviews are required. Wait for new HR VP.	HR Committee/Info Systems Committee	
OPEN (EXTENDED)	Can Staff Council members serve on the Presidential Search Committee? - Nisha emailed Fadi. Gabby emailed Peggy and was told there is no Presidential Search at this time. Keep open until we get more info.	Nisha Reyes; Gabby Cuzzola	
OPEN (EXTENDED)	The Council would like to see the creation of a bank where we can donate sick time. * Lauren Rubitz said this is in progress. * Still being worked on. Policy needs to be approved by unions; Staci/Nisha will follow up * Negotiating has started with unions. There is a new NJ Earned Sick Leave Law that will be in effect soon. As the university discusses any changes that will need to be made regarding the law, we will not be moving forward with the donated sick leave policy at this time. Not sure how the law relates to the sick bank. Need more info. Keep open until the new law is reviewed by HR -Update: Lauren Rubitz spoke on this. Sick bank still needs to be reviewed at next Staff Council meeting.	HR Committee	
CLOSED 202002	Staff Council distribution list needs to be updated. Update: Done. Just need to update with new members Noelle & Ian.	Gabby Cuzzola/Staci Mongelli	
CLOSED 202002	Many of the "Management and Staff Academy" Programs offered by HR are for managers only. Some employees who are not in managerial positions would also be interested in attending these programs. Update: Bob Lazer is addressing it. The manager programs are very specific to current managers. In Fall 2020 some supervisor programs will be opened to more people.	HR Committee	
CLOSED 202001	Can the entrance to the Parking Deck on Summit be switched (exit in front of entrance)? Update: The policy is the queue for line of cars entering the deck should be on NJIT property. If the exit & entrance were reversed the queue would expand to ECC property. Also if the exit gates were moved inward in the deck to eliminate this queue, spaces would be lost. There would also be a significant cost to reverse all the space lines, signage, eltrronics, etc in the deck. Rob Gjini will attend the next meeting Jan 16th, 2020 to answer any parking questions.	Mike Dabrowski	
CLOSED 201912	Staff needs more info on student activities. - Employees can email studentlife@njit.edu and ask to be added to the newsletter mailing list. Also info on Highlander Hub at https://njit.campuslabs.com/engage/ .	Nisha Reyes	
CLOSED 201911	Weight Watchers on campus can't advertise and therefore can't run. What can we do? -Spoke to Keyannah Watkins of Ethics. Some employees do not want email ads, but it is OK to post sign up sheets around campus.	Staci Mongelli	

CLOSED 201911	Robocalls to campus phones -Update: This is being actively investigated. Blocking calls is being tested.	Frank Aversa	
CLOSED 201911	All state employees with AETNA medical insurance are being switched to Horizon Blue Cross Blue Shield. Most employees were unaware of this and it's effects. - All PSA employees received email notifications. New insurance cards will be sent by Horizon mid-December.	Nisha will talk to Holly & Annie	
CLOSED 201911	Is there any possibility of child & pet day care on campus? Can students be of service either as student worker programs or stress relief? - Pet day care is not possible at this time.	HR Committee	
CLOSED 201910	No EMS/EMT Public Safety officer on campus. There was an incident where an employee was very sick and needed medical attention. The officer showed up but did not have supplies/did not know CPR, etc. Do cell phone calls to 911 from NJIT redirect to Public Safety? -Update: Lt. Villani spoke on this. Info included above in the Agenda Items.	Staci will reach out to Public Safety	
CLOSED 201910	Part-time employees are parking in the deck without paying for parking -Update: All full-time & part-time NJIT employees on payroll who register for parking get 0.4% deductions from salary. Outside agency temps pay the student part-time rate of \$195 per semester. In cases where an outside agency temp is expected to become an official NJIT employee in short time, the dept may request to temporarily waive the parking fee until the person is onboarded, so payroll deductions can be paid instead of the flat semester fee. There are only a few cases of this. Mike will also invite Rob Gjini to the next meeting to speak on any other parking concerns.	Viola Clyburn; Mike Dabrowski	
CLOSED 201910	There is only one lactation room on campus. Would like to request an additional location at Faculty Hall/Tiernan Hall. Only one room is required on campus. It is very small & not maintained well. No sanitizer or sink. Needs a cleaning schedule & sink added. -Update: EDC3 at 211 Warren St also has a lactation room. We will follow up on this issue again once the new VP of Human Resources is named.	Nisha Reyes	
CLOSED 201909	Rutgers-Newark speed bumps - Elizabeth will share this information with her contact - William Yarzab - NJTPA to see if this is something that can be looked into. -Update: Per Andrew Christ, speed bumps have not been explored yet, but the city has promised to perform a study and consider improvements to the MLK & Central Ave intersection (the long crosswalk where both Central Ave & Sussex St converge). Public Safety will be doing a targeted campaign against "jay walking" around the NJIT campus. William Yarzab of NJTPA provided the website www.BeStreetSmartNJ.org for NJIT to utilize their program materials & social media postings.	Elizabeth Limbrick	
CLOSED 201909	Recycling Initiatives @ NJIT - Contact Mike Dabrowski about adding a statement on School Dude about the recycling process on campus. Contact Facilities Services about creating flier/communication to NJIT about the recycling process that NJIT uses. -Update: Trash & recyclables should be separated. Order bins via work order in School Dude.	Deborah Sims	
CLOSED 201909	Discounts at Rutgers Tech Store. Can NJIT employees be eligible to purchase? Spoke to Purchasing. A concern is our contract with Follett Benefits area has been in touch with the store and we hope More info to come	Staci Mongelli
