

## Understanding Your Mathematics Course Placement

For a detailed description of the mathematics course in which you placed, [click here](#). At NJIT, mathematics courses are challenging and a critical component of your education. Below we have outlined some advice, resources and important information to help you as you prepare for your first semester:

1. Math sequence/timeline is listed below (*based on curriculum*):

2 semesters before Calculus 1	1 semester before Calculus 1	On track Calculus 1
Math 108	Math 110	Math 111

1 semester before Calculus 1	On track Calculus 1
Math 107	Math 113, 135, 138

*\*Math 101 placement is based on liberal arts major/curriculum.*

2. If you place in Math 107, Math 108 or Math 110, it is encouraged that you take action this summer in one of the following ways:
  - a. Retake the Math Placement Exam
    - i. Call **973-596-8389** to schedule
    - ii. There are [online sample tests](#) to help you practice and a [calculator](#) to estimate your placement according to your scores
  - b. If you still did not place into a calculus course after your retake then consider taking the pre-calculus course you placed into in the summer. *Always consult with your academic advisor prior to registering* - See below for NJIT's summer session schedule and register! <http://www.njit.edu/summer/registration/>
    - i. Contact Mr. Ryan Baldwin ([ryan.d.baldwin@njit.edu](mailto:ryan.d.baldwin@njit.edu) or **973-596-5373**) for more information about taking pre-calculus in the summer.
    - ii. NJIT is offering a special summer scholarship in the amount of \$500 to students who takes a pre-calculus course (Math 107, 108 or 110) here over the summer, as opposed to this fall. Contact Ms. Dimana Neykova ([neykova@njit.edu](mailto:neykova@njit.edu) or 973-596-5224) for more information on this scholarship.
  - c. Take community college equivalent and transfer the class back to NJIT
    - i. [https://m.njit.edu/Undergraduate/UG-Files/equivalentcourses\\_dec2016.pdf](https://m.njit.edu/Undergraduate/UG-Files/equivalentcourses_dec2016.pdf) for most common equivalencies.
    - ii. *Always consult with an academic advisor prior to registering.*
