

## Understanding Your Mathematics Course Placement

For a detailed description of the mathematics course in which you placed, [click here](#). At NJIT, mathematics courses are challenging and a critical component of your education. Below we have outlined some advice, resources and important information to help you as you prepare for your first semester:

1. Math sequence/timeline is listed below (*based on major/curriculum*):

|                                  |                                 |                        |
|----------------------------------|---------------------------------|------------------------|
| 2 semesters before<br>Calculus 1 | 1 semester before<br>Calculus 1 | On track<br>Calculus 1 |
| Math 108                         | Math 110                        | Math 111               |

|                                 |                        |
|---------------------------------|------------------------|
| 1 semester before<br>Calculus 1 | On track<br>Calculus 1 |
| Math 107                        | Math 113, 135, 138     |

*\*Math 101 placement is based on liberal arts major/curriculum.*

*\*\*Math 107 placement for Digital & Interior Design majors is the first semester math course based on major/curriculum.*

2. If you place in Math 107, Math 108 or Math 110, it is encouraged that you take action this summer in one of the following ways:
  - a. Retake the Math Placement Exam
    - i. Call 973-596-8389 to schedule
    - ii. There are [online sample tests](#) to help you practice and a [calculator](#) to estimate your placement according to your scores
  - b. If you did not place into a Calculus course, consider taking the Pre-Calculus course you placed into [during the summer](#) and receive \$500 off.
    - i. For more information about how to enroll in the Pre-Calculus summer course, as well as the summer grant, please contact Mr. Christopher Carter ([ccarter@njit.edu](mailto:ccarter@njit.edu) or 973-596-2978).
    - ii. For information about the course content, textbook, and academic support, please contact Mr. Ryan Baldwin ([ryan.d.baldwin@njit.edu](mailto:ryan.d.baldwin@njit.edu) or 973-596-5373).
  - c. Take community college equivalent and transfer the class back to NJIT
    - i. [https://m.njit.edu/Undergraduate/UG-Files/equivalentcourses\\_dec2016.pdf](https://m.njit.edu/Undergraduate/UG-Files/equivalentcourses_dec2016.pdf) for most common equivalencies.
    - ii. *Always consult with an academic advisor prior to registering.*
