## **NJIT TAB Conducts EPA All Grantee Meeting at 2020 Pennsylvania Brownfields Conference**

NJIT TAB designed, coordinated, and served as an expert speaker for the USEPA All Grantees Meeting held at the Pennsylvania Brownfield Conference in State College, PA on March 9, 2020. The objective of the all grantees meeting was to facilitate information exchange between new and experienced EPA brownfield grant recipients in Region 3. Former EPA grant recipients presented. In addition, the topics discussed at the meeting were:

- The importance of uploading the appropriate documentation to the ACRES database,

- Changes in the grant solicitation process,
- The importance of leveraging opportunity zones and;
- How to market their brownfield sites.

Approximately 60 People were in attendance and the audience consisted of municipal officials, consultants, prospective, current, and past brownfield grantees. This event marked the largest ever Pennsylvania All Grantees Meeting in Region 3.
