Providing Technical Assistance to Brownfield Communities since 2008

NJIT TAB TIMES

March 11, 2020

“How To Write An EPA Brownfield Grant Application”

NJIT TAB served as the session lead and presenter for the grant writing session alongside EPA Region 3 at the Pennsylvania Brownfield Conference in State College, PA on March 11, 2020.

The objective of this session was to provide communities with helpful hints and tips to writing an EPA brownfield grant application. In addition, the session served as an update for anticipated changes to the application process as well as answer frequently asked questions from prospective grantees.

The topics discussed at the session were:

- Assessment grant techniques,
- Cleanup grant techniques,
- Grant solicitation cycle;
- NJIT TAB grant writing resources.

The audience consisted of municipal officials, non-profits, and consultants.
