NJIT TAB Conducts Virtual Orientation for EWDJT Grant

NJIT TAB, alongside EPA Region 3, conducted a virtual orientation on March 12, 2021 for Washington D.C. officials and staff from University of the District of Columbia interested in pursuing the Environmental Workforce Development and Job Training Grant.

The virtual orientation served as an opportunity to educate prospective applicants about the EWDJT grant process and how to prepare for the upcoming solicitation. Attendees also learned how they can utilize NJIT TAB's services to enhance their application before submission. Lastly, attendees were given the chance to ask questions about the grant solicitation process and look at examples of past successful grantees.

NJIT TAB facilitated and hosted the event, developed the agenda, and served as a speaker.

Approximately 20 participants joined the virtual orientation. The audience consisted of officials from D.C.'s Department of Energy and Environment, Department of Employment Services, and staff from the University of the District of Columbia.
