Cleansweep Frederiksted Breaks into Brownfields!

At the request of Cleansweep Frederiksted, a non-profit organization located on St. Croix in the US Virgin Islands, NJIT TAB conducted a virtual Brownfields for Beginners Boot Camp for its Board of Trustees.

Cleansweep Frederiksted's mission is to support the economic development and revitalization of the Frederiksted historic district.

The Boot Camp covered an array of brownfield topics including:

- What is a Brownfield?
- Negative Impacts of Brownfields
- Advantages of Brownfields
- Opportunities Associated with Brownfield Redevelopment
- Brownfields Planning
- Community Engagement
- Preparing early for an EPA brownfields grant
- NJIT's TAB Program

The event was held July 20, 2022, and attended by board members and private citizens.
