NJIT TAB Participates in Congressman Himes's Brownfields Webinar

brownfield program, while Binu Chandy from the Connecticut Department of Economic and Community Development presented the state's brownfields program.

NJIT presented the NJIT TAB program explaining the many different ways NJIT can assist Connecticut's communities, including examples of how NJIT TAB has already assisted several communities within Congressman Himes's district.

Congressman Himes represents Connecticut's Fourth District which is comprised of 17 towns and cities in the southwestern portion of the state. The Fourth District covers most of Fairfield County and some of New Haven County.

The webinar was streamed live on the Congressman's Facebook page.

On September 9, 2020, NJIT TAB participated in Congressman Himes's "Zoom Webinar on Federal and State Brownfields Programs". EPA Region 1's Brownfields Section Chief (Frank Gardner) and Brownfields Coordinator (Jim Byrne) spoke about the EPA's
