

What is the 128a Grant?

- The USEPA provides brownfields funds to States, territories, and Indian Nations through the Section 128(a) grant.
- This is a noncompetitive \$50 million grant program to establish and enhance state and tribal response programs. The grants are awarded and administered by the EPA regional offices.
- Generally, the programs address the assessment, cleanup, and redevelopment of brownfields sites.
- Applications are typically due early in the calendar year.
- Currently the Seneca Nation and Mohawk Tribes receive this annual grant.
